

# this was supposed to be the future

where is my jetpack,

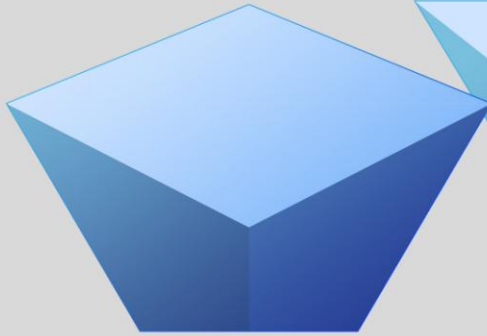

where is my robotic companion,  
where is my dinner in pill form,  
where is my hydrogen fueled automobile,  
where is my nuclear powered levitating house,

# fuck it, i'll do this myself

**Q** Who has no choice but to eat  
packed lunch every day ?  
Astronauts

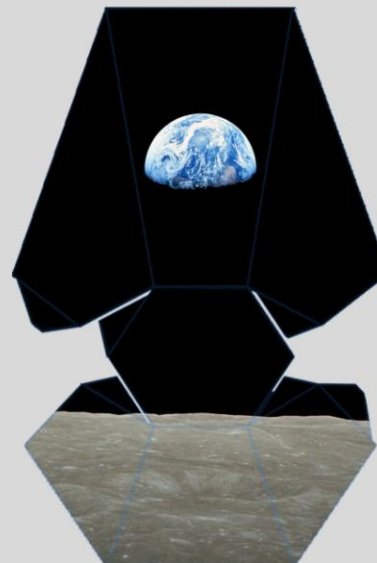

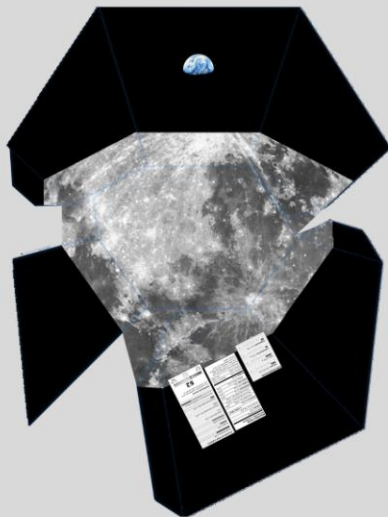

Design something that could be served on commercial space flights of the future. Don't just think outside the box. Criticize the box.

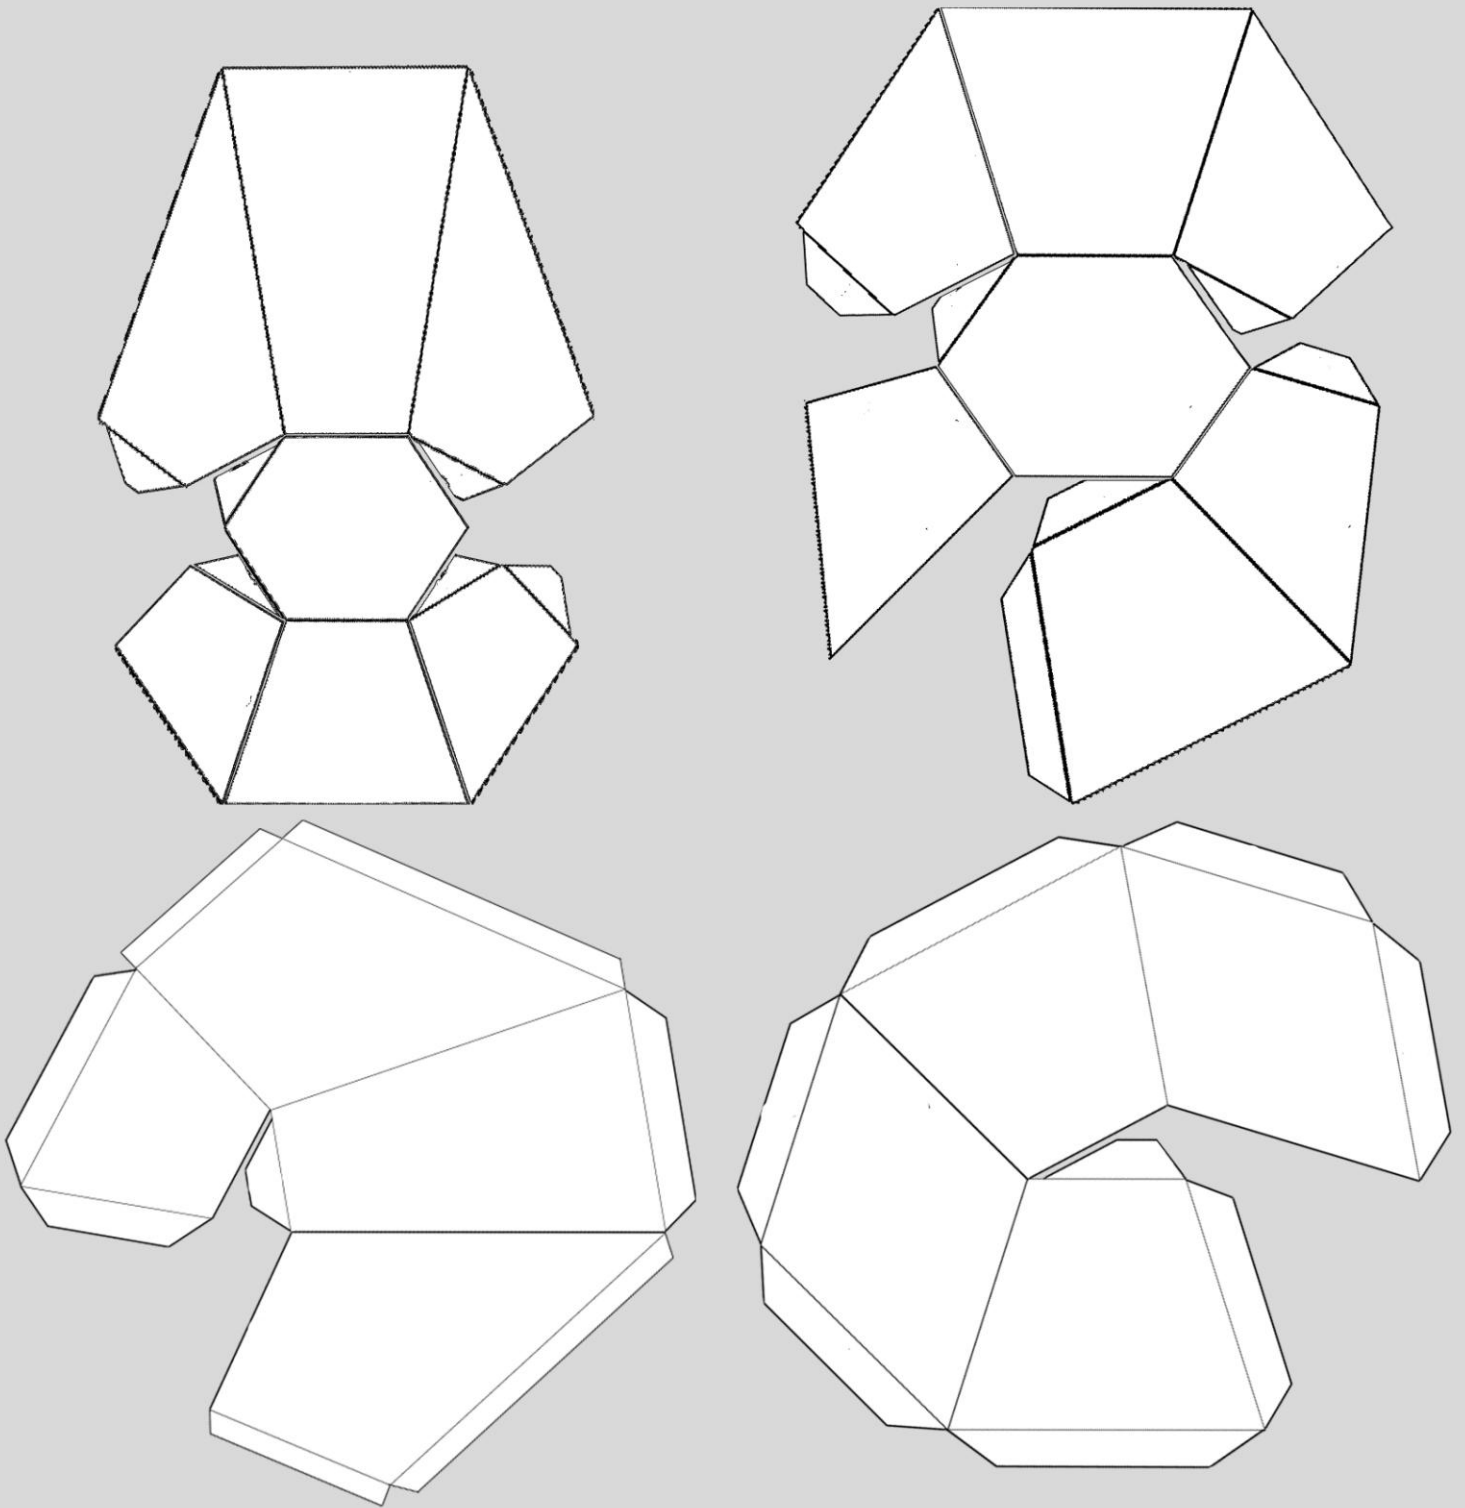

suitable for:  
- soups  
- noodles  
- volumes

suitable for:  
- salads  
- chips  
- tortillas

inspired by space, but we already know that, even the templates look like spaceships!
