OBJECTIVE

To gain as much experience in Graphic Design as possible, developing my skills to further my career.

INTERNSHIPS

Internship at Refinery Manchester (May-June 2014)

Assisted in pitches such as Co op energy advertising campaign and Lakeland mail brochures.

Internship at Golden Leeds (April-May 2014)

Worked on a brief for a record label creating the identity and guidelines for the brand. Also assisted with research ideas for a Nike campaign.

Internship at Gratterpalm Leeds (April 2014)

Researched a project for Halfords creating a brand identity for a cycling pop up shop called "Cycle Republic".

Internship at Cuckoo Manchester (March 2014)

Helped update the company website and assist with visual research.

Internship at Small Back Room London (Nov- Feb 2014)

Assisted the creative director with major branding pitches including clients such as Shakespear's Globe, Regent Street, learning a lot about brand strategy.

Internship at 90 degrees Manchester (Summer 2012)

Worked on logo branding for the new Victoria station shopping mall and website development for Spinningfields.

FREELANCE WORK

Emma Stott Design's

Set up my own company selling gifts and cards to various shops in Manchester and Leeds.

EXHIBITIONS

End of year show Leeds Met (2013)

Exhibition at UWE Bristol (2010 - 2011)

A selection of work, both typographic and imagery based, have been exhibited at the university at several occasions.

Font created with Fontshop's online tool Fontstruct Bristol (Dec 2010)

Received attention by Fontstruct's online community with fellow students from my course.

End of year show, Manchester MET (2010)

OTHER EXPERIENCE

The swan Bar maid (2012-present)

Work in a award winning pub, gaining great social skills and built up a strong relationship with the customers.

Manns Wharf Catering business (2011-2012)

Preparing food and waitressing on large scale events such as birthdays and weddings. Taught me good organisation skills and to be friendly and approachable at all times.
